

FOR IMMEDIATE RELEASE:

SiloSmashers Wins Recompete Contract with the General Services Administration
Company continues its Support to the GSA Acquisition Systems Division (ASD) and Long History with the Integrated Acquisition Environment (IAE) E-Government Initiative

Fairfax, VA – December 13, 2011 – SiloSmashers, Inc., a privately-owned, strategy, technology and management consulting firm serving the public sector, announced today that they have won the recompete contract, for the second time, to continue support to the General Services Administration – Acquisition Systems Division (ASD) on behalf of the GSA Office of Government-wide Policy (OGP).

The terms of the contract call for SiloSmashers to continue to provide essential program management support services for ASD to facilitate successfully planning, developing, revising, coordinating, managing and implementing program and project management processes, tools and procedures, security services, budgeting, and capital planning support. The support is provided to the IAE E-Government Initiative and other OGP systems. The company will also provide information technology other services support such as usability testing, cost estimating and independent validation and verification (IV&V).

SiloSmashers teamed with Barquin International, PersonaVision, LLC, Tecolote Research, Inc, and WRSsystems, Ltd to provide the program management support services.

Jeff Nulf, SiloSmashers' Vice President of the GSA Business Unit, commented, "SiloSmashers is very pleased to have built a highly successful partnership with the GSA. The second re-compete win on this contract continues our long history of providing e-Gov Program Management Office support to our GSA clients and it is a testament to our enduring relationship built on trust, innovation, and excellence in service delivery."
