

FOR IMMEDIATE RELEASE:

SiloSmashers Wins Task Order to Provide Program Management Support Services to the General Services Administration (GSA) Office of Citizen Services and Innovative Technologies(OCSIT)

OCSIT Task Order Win Comes on the Heels of the GSA BPA Award

Fairfax, VA – January 11, 2011 – SiloSmashers, Inc., a privately-owned, strategy, management and technology consulting firm, today announced that they had won a task order to support OCSIT, under the GSA Blanket Purchase Agreement (BPA).

Under the terms of this contract, SiloSmashers will provide program management support to the OCSIT, including all aspects of planning, developing, revising, coordinating, managing, and implementing program and project management processes, tools and procedures.

“SiloSmashers is very pleased to offer our comprehensive set of program, financial and performance management services in support of the OCSIT,” said Sharon Williams Jackson, SiloSmashers’ Vice President of the GSA Business Unit. “This contract epitomizes the company’s longstanding relationship with GSA and its continued efforts to promote the Department’s mission to provide innovative, collaborative services and solutions to its customers.”

SiloSmashers is an industry-leading strategy, management, and technology consulting firm with depth of knowledge and expertise in; program management, performance management (including business transformation efforts), and information technology (IT) security. The company provides innovative, collaborative business approaches and proven methodologies that enable customers to break down organizational silos and optimize operational efficiency to achieve peak performance and mission success – today and in the years ahead. www.silosmashers.com
