

SUBCONTRACTOR PRESS RELEASE

UNITED STATES ARMY AWARDS INFORMATION TECHNOLOGY ENTERPRISE SOLUTIONS – 3 SERVICES (ITES-3S) CONTRACT. SILOSMASHERS IS A TEAMING PARTNER TO PRIME CONTRACTOR AWARDEE KINGFISHER SYSTEMS, INC.

The United States (U.S.) Army Computer Hardware, Enterprise Software and Solutions (CHESS), in coordination with the Army Contracting Command, Rock Island (ACC-RI), awarded the third iteration of the Information Technology Enterprise Solutions Services (ITES-3S). Kingfisher Systems, Inc. has been awarded a prime contractor position and has included SiloSmashers as a subcontractor on its team.

The ITES-3S Indefinite Delivery Indefinite Quantity (IDIQ) vehicle has five base years and four option years, and is valued at up to \$12.1 billion. The overall objective of ITES-3S is to provide industry best practice, best value, non-personal services to enable a broad range of enterprise-level support services for Information Technology (IT) integration and service management activities to the U.S. Army, other Department of Defense (DoD) agencies, and all other Federal agencies with locations worldwide, including warzone areas.

The ITES-3S scope includes a full range of services and solutions necessary for the U.S. Army to satisfy its support of the Army Enterprise infostructure and infrastructure goals with IT services, including Cybersecurity Services; Information Technology Services; Enterprise Design, Integration, and Consolidation; Network/Systems Operation and Maintenance; Telecommunications/Systems Operations and Maintenance; Business Process Reengineering; Information Technology Supply Chain Management; Information Technology Education and Training.

“SiloSmashers is excited to be a part of the ITES-3S Kingfisher Team. We look forward to working with the Army, DoD, and all other Federal agencies to bring our thought leadership and expert consulting services to the next generation of IT.”

Angela Drummond, CEO and Founder SiloSmashers.
